

Country French Florals & Interiors (Home Reference)

In this third book, Charles Faudree shares some of his most recent signature Country French interiors and introduces floral artist Toni Garner, his personal florist, to create what he deems the ultimate accessory for every room in a home—fresh flower arrangements. Offering a rich visual text of interior design ideas he shows that using flowers in creative combinations and unique containers will set your rooms apart from and above all others. From table toppers to show stoppers, these ebullient artists offer a cornucopia of fresh floral and interior design tips and suggestions.
