

Make Prints! Art & Activities for Kids

A book packed with exciting print-making projects that kids love—from wood blocks to silk screens. Each project can be done with materials found right in your home. Make monoprints using a cookie sheet; create interesting patterns using fruits & veggies; carve soap bars then print with those images. Clear, step-by-step instructions, full color photos and listed materials needed for how-to start to finish projects. Each activity lets kids explore new materials and skills, and encourages experimentation and individual creativity. For ages 6-11
