

Bordeaux: Guide to the Wines of France

RECENTLY UPDATED! Wine guides for the ultra curious, Approach Guides takes an in depth look at a wine regions grapes, appellations, and vintages to help you discover wines that meet your preferences.(2015) Publisher note: The purpose of this guide is to profile the unique aspects of Bordeaux appellations and grape varieties; this guide does not profile specific producers or rate individual wines. Located in southwest France and pierced through its center by the Gironde river, Bordeaux is probably Frances, if the worlds, most famous wine-producing region. This Approach Guide is designed as a quick-reference resource for wine enthusiasts seeking to understand what makes Bordeauxs wines unique and make informed choices. Whats in this guidebook: * Grape varieties. We describe the primary red and white grape varieties in Bordeaux famous blends and where they reach their highest expressions. Vintage ratings. We offer a straightforward vintage ratings table, which affords high-level insight into the best and most challenging years for wine production in Bordeaux. * A Bordeaux wine label. We explain what to look for on a Bordeaux wine label and what it tells you about whats in the bottle. In doing so, we provide background on Bordeauxs appellation system and its producer classifications. * Map and appellation profiles. Leveraging our map of the region, we provide detailed profiles of each of Bordeauxs appellations. For each appellation, this guide describes the prevailing terroir, the types of wine produced, and what makes them distinctive. * Recommendations. We mark our favorite appellations with asterisks (*) our selections have a record for providing quality, consistency, and good values. We hope that this guide serves as a great resource for your wine adventures in France and sets you on a path to making your own discoveries. FREE UPDATES

Approach Guides often updates content and releases new editions of its guidebooks. These updates are free for existing customers. Please visit approachguides.com/updates for a list of recently updated guides and instructions on downloading the new version. PRAISE FOR APPROACH GUIDES Compulsive (and compulsively informed) travelers, the Raezers are the masterminds behind the downloadable Approach Guides, which are filled with a university course-worth of history and insights for 62 destinations worldwide. WHY WE LOVE IT: The Raezers share our desire for deep, well-researched information on the wonders of the world. - Travel + Leisure What started as one couples travel notes aimed at filling in the gaps in guidebooks has become ApproachGuides.com a menu of downloadable travel guides that cover cultural and historical topics of interest to thoughtful travelers. Whats hot: Bite-sized travel guides that specialize in topics ranging from 29 pages on the foods of Italy to one that helps you explore the historical and architectural significance of Angkors famous temple structures in Cambodia. - LA Times
