

A Pocketful of History: Four Hundred Years of America—One State Quarter at a Time

History is all around useven in the spare change jangling in your purse or pocket. For the past decade, the U.S. Mint has offered America a pocketful of history through its popular 50 State Quarters Program. A Pocketful of History tells the story behind each states quarter: how each state chose its design; what is important about the people, scenes, and themes depicted on the coins; and what the collection tells us about ourselves. Its an entertaining and enriching journey through four hundred years of American twenty-five-cent doses. This updated paperback edition will include the U.S. Mints new quarters honoring Washington, D.C., Puerto Rico, and four other territories.
