

Aftermath Festival 2015: Festival Memoir and photo book

An excellent way to reflect and remember your experiences at the Aftermath 2015 Dark Music festival is with the official documentary book. A great keepsake and featuring images of all the artists including LE?THER STRIP, FGFC820, MR..KITTY, VELVET ACID CHRIST, LUDOVICO TECHNIQUE, 3TEETH, HAUJOB and many more. This book is an in depth look behind the scenes and up close during the Toronto industrial music festival in its 2nd year.
