

Ambush on Blood River (The Executioner 58)

Bolan and the Force A soldier-for-hire named Scarr led a troop of Cubans back into the darkest heart of Africa. Scarr and his band of renegade mercs, under the control of the KGB, had returned to retrieve a fortune buried there by mercenaries years before The stolen hoard contained not only riches but damning documents that could ignite global horror. Mack Bolan had to snuff Scarr fast. For this mission in the savage land of Blood River, The Executioner flanked himself with one of the deadliest forces known to modern man... Bolan flies with Phoenix Force!
