

Horses (Learn to Draw)

In January 1999 we are relaunching the bestselling Learn to Draw series of beginners drawing books with bright, modern covers. Drawing is an essential skill for all artists and this book makes learning to draw horses as simple as possible. All the basics are covered to provide a sound foundation in drawing techniques, and numerous attractive illustrations and step-by-step drawings show how these are put into practice. This book includes practical information on: * choosing the right medium * structure and form * close-up details * texture and markings * expressions and behaviour * horses in motion Perfect for total beginners, Learn to Draw Horses will also be valuable to more experienced artists wanting to improve their drawing skills.
