

Scammer (International student housing Book 2)

Any guarantee avoiding scam? I doubt it, but you can in time learn what to look for and what to ignore. The price is high if you fall into the trap. You are in the risk of losing a lot of money, not only this but losing your faith within yourself, and maybe in others. To forgive and forget takes time, but not impossible. The lesson can have a high price, but be valuable in future when dealing with other people in either personal or professional matters. How will you know? This book is written as my experience regarding international students in Copenhagen also covers scammers who did take advantage of a student in need of a place to stay while living in Denmark. This is probably a matter that lots of students all over the world meets.
