

Batman By Ed Brubaker, Volume 2 (Turtleback School & Library Binding Edition)

FOR USE IN SCHOOLS AND LIBRARIES ONLY. Ed Brubaker's legendary run on BATMAN is finally collected into a definitive graphic novel series! Indicted for killing Vesper Fairchild, Bruce Wayne is sent to Blackgate Prison...only to escape, launching a citywide manhunt. Now Batman has gone underground--renouncing his true identity and operating deeper in the shadows than ever before. It falls to his extended family--Nightwing, Robin, Oracle, Batgirl, Spoiler, and Alfred--to figure out who really did commit the murder. While the clues point to a possible setup, no one can deny that those same clues might point to Batman's actual guilt! The mind behind such critically acclaimed series GOTHAM CENTRAL, CATWOMAN and Captain America began his first mainstream superhero work on one of the greatest costumed crusaders of all time: the Dark Knight. Collects BATMAN #598-607.
