

# How To Find Cheap Flights: Practical Tips The Airlines Dont Want You To Know

Last year, I flew from New York to Milan for \$65. The year before, I flew to Belgium for under \$150. Airfares may be going up, but only for people willing to pay full price. I wrote How To Find Cheap Flights for the rest of us. This book is a step-by-step guide to finding cheap airfare. Its a quick, easy read compiling dozens of tips and tricks for: - How to find mistake fares - How to avoid fees - Which flight search engine is best - How to save money on nearly every flight The author is a travel expert who has earned millions of frequent flyer miles and travels tens of thousands of miles per year. He has flown around the earth 14.3 times since 2011, putting 30 different stamps in his passport along the way. He hates paying full price for flights, and wont do it.
