

Leave It To Chance Book 2: Trick Or Threat (Leave It to Chance (Graphic Novels))

The Concept: Fourteen-year-old Chance Falconer has occult investigation in her blood. Her father, Lucas Falconer, is the protector against supernatural crime in the city of Devils Echo, an amazing place where the magic and monsters are an everyday occurrence. This is a family tradition handed down from one generation to the next -- but will Chances knack for landing herself in big trouble stop her from living long enough to take up that mantle? This Collection: Leave it to Chance Volume II: Trick or Threat (collecting original issues #5-8), introduces our intrepid heroine to a new circle of friends, and pits Chance against a new cast of dastardly villains, misunderstood monsters, and otherworldly apparitions. From the festive streets of Devils Echo on Halloween night, to haunted pirate caves - and even at her favorite shopping mall - the young danger-magnet, Chance Falconer, finds paranormal peril at every turn. Praised for its widespread appeal and ability to entertain both children and adults alike, Trick or Threat is the latest in Images ongoing collections of the Harvey and Eisner award-winning Leave it to Chance material. Printed in an oversized hardcover format, this edition is Leave it to Chance as you have never seen it before.
