

## Captain America (2004-2011) #6

OUT OF TIME Finale Who killed the Red Skull? Who is the mystery assassin we have yet to see? This issue answers those questions and more! The hunt for the killer of the Red Skull takes a bizarre turn and Steve Rogers life turns with it. Shattered fragments of Caps past are called into question by new memories that keep flooding his mind. Is someone playing mind games with him, or has he been in the dark about certain events for years? Only a trip to the scene of his most devastating failure will answer that question. Part 6 (of 6).
