MEDIEVAL DUBLIN Experience the essence of medieval Dublin with a cultural walking tour that explores some of the oldest buildings in the heart of downtown. Set alongside Irelands eastern coast, Dublin is just a short trip from the beautiful beach cities in County Fingal. This medieval tour explores some of the oldest buildings in the heart of Dublin. First we will stop at Trinity College, home to the book of Kells. Next, we learn how Irish women used to save face or lose face sitting by the fires of Dublin Castle. For lunch we can visit the countrys oldest restaurant or stop at one of the many eateries in the famous Temple Bar area. Then well finish the tour with a visit to the countrys medieval churches.
