

## Parenting From The Heights

Parenting From The Heights is a Christian-based parenting guide with extremely practical information that helps transform behavior in children from toddlers to teens. Written by 2 moms who did not head off to the office (leaving the kids at home) to spend hours of uninterrupted time writing. These moms wrote while actually parenting. What a concept! The tools you'll discover are easy to understand and have been tested on hundreds of children from all different backgrounds. They truly work if applied consistently.
