

Conan: Island of No Return #2

Having broken into a haunted castle to loot its treasures, Conan and his companions discover that stories of the castles paranormal past may have been exaggerated. But that doesnt mean that fabricated ghost stories cant be used to their advantage when Conan discovers they arent the only thieves out for the gold! Written by Ron Marz (The Magdalena, Witchblade) and illustrated by Bart Sears, this is one Conan tale true fans will not want to miss! Concludes a two-part story.
