

# The Complete Guide on Ripple Afghans and Corner to Corner Stitches with the Complete Basic Foundation on Crocheting Techniques

Box Set: The Complete Guide on Crochet Stitches and Patterns from the Basic to the More Advance Learn How to Read and Crochet Amazing Patterns and Stitches By the time you get through this Box Set you will be able to crochet basic stitches and know the basic techniques you need to start your journey with the fun and creative craft of crochet. If you know how to crochet but need to brush up on your basic stitches and techniques then you'll find this book a great refresher. In this Box Set we will learn two of the most popular afghan techniques. One is relatively new, the Corner 2 Corner or C2C pattern, and the timeless ripple or wave stitch. Both of these patterns create beautiful works of art which are sure to become treasured family heirlooms. Once you understand these techniques you can stitch up Afghans and throws of all sizes to keep or give away to lucky recipients. These techniques are perfect for the novice or advanced crochet enthusiast. Download this Bestseller Now!!
