

Creator Owned Heroes #6

STARTING: a monthly feature featuring graphic strips and material by DARWYN COOKE. **KILLSWITCH, Part Two** Locked in a Peruvian Prison, Kill Switch awaits a Mexican hit squad as he tries to discover who put a bounty on his head and why. The bullets fly as our hero is led into a deadly game of death against the worlds best and most eccentric assassins, but the gloves come off when they threaten his family. **BLACK SPARROW Part Two** His only son is dead, tried and hung for crimes the boy may or may not have committed. Now a father waits by the graveside. All he can do is pray and hope that his only son is not the evil the townspeople claim. Plus: Interviews, contests, art galleries, con photos, and original articles all celebrating the creator-owned spirit.
