

## Curse of the Spawn #27

Dr. Marc Simmons (brother of Spawn) meets Damon Foster, ex-FBI agent turned impassioned (some say psychotic) hunter of serial killers. Foster is tracking the legendary killer, Suture and wants Marcs help in tracking her down. In return for helping, Foster said he will tell Simmons who butchered his wife and son. Unfortunately, Quinn kills him before he can give the information. The Crocodile Murder case is closed.
