This volume holds three books: Billionaire on Board Green Tea Wont Help You Now! He Plays With Fire BILLIONAIRE ON BOARD Jude is happy. Shes almost 27, she has great friends, a great family, a job as a tour guide and a doctoral thesis to write. She lives in a beautiful city, shes single and she likes it. Until the day she finds out shes not invited to her oldest friends wedding because his madcap bride believes she has designs on him. Without further ado she invents a boyfriend and while shes at it: why not make him rich and handsome? He would need a name of course, something truly jet set, something with flair! She tries to conjure one up when she remembers her time at an English girls school. One of her schoolmates had an older brother who was outrageously handsome and rich and his name had been Ryan Corvera-Faberge. So Ryan Covera-Faberge it is. Too bad the real Ryan Corvera-Faberge suddenly stands next to her in a five star hotel, two days before the wedding. Even worse, her game is up. Suddenly Jude finds herself, not quite by choice, on a whirlwind trip to Saint-Tropez and Monte Carlo, to Barcelona and Capri, to a world of private jets and hilltop villas, of mega-yachts and sports cars, of sex, drugs and rocks of diamonds. The billionaire in question turns out to be quite a handful and Jude has her work cut out for her. But enjoy her own account of the adventure. It has it all! Drama, romance, fun and passion... in no particular order GREEN TEA WONT HELP YOU NOW! Trixie Beaumont, an English girl who owns a small yoga studio in Venice, California, falls in love with Alexander Silverston, a former Olympic ski Champion and successful entrepreneur. Alex appears to be falling for her, too. How utterly charming.... Well, if it wasnt for the following difficulties: 1. Trixie is not called Trixie, but Laetitia. 2. Alex does not know that. 3. Laetitia owns seven

billion dollars. 4. Alex does not know that.

5. Laetitia owns a large part of Alex's sportswear company. 6. Alex does not know that. 7. Neither does Laetitia. 8. Laetitia finds out. 9. Laetitia also finds out that she is guilty of ruining his company's debut at the stock exchange. 10. Alex is--- Wait. Why don't you just read the book and find out? **HE PLAYS WITH FIRE** If there is one man on planet earth any girl should be warned about by the time she enters womanhood, it is Sebastian Farley-Mendoza. He is the blazing hot polo superstar who - at least evil tongues are saying so - holds the world record in bedding billionaire wives. His own wife and children must tag along meekly on his never ending circuit of high-class sport and high-class seduction. Now, if you happen to be completely ignorant about the jet set and of a rather down-to-earth and introvert nature, like Dido Carpenter for example, you should stay well out of Sebastian's way. But Dido is safe, right? Dido is not very interested in love anyway and Dido would never fall for a man who is married or seventeen years older than she is. Never! Well, all we can say is: Good Luck, Dido...

**LANGUAGE:** Characters tend to be outspoken! Nothing truly disgusting, but expect the occasional four letter word and the rare mentioning of body fluids.
