

Parenting Mistakes - Doing For Your Children What They Should Be Doing For Themselves (Learning To Parent Defiant Children Book 3)

The following book discusses the implications of catering to all of your child's needs when they can be and should be doing things for themselves. Highlighted are the reasons that parents take this approach to child rearing and the typical outcomes for the children who are raised in this way. Also explored are ways to help your child become an independent person and why it is so vital that they do so.
