

El Gest (Spanish Edition)

La primera obra que analitza i desgrana la gestualitat del director de orquestra. Aquest llibre es una breu i concisa reflexió sobre el llenguatge del gest del director d'orquestra. En la complexitat que comporta dirigir una orquestra, el gest es un element de vital importància per aconseguir un bon resultat sonor. En canvi un gest poc precís pot dificultar el treball d'un bon director. Els exemples en esquemes gràfics i fotografies il·lustren el que pot ser una bona o una mala pràctica de direcció. El treball independent de cada mà, com precisar un bon atac o quin hauria de ser el gest adequat per tancar un caldero, són alguns exemples exposats per l'autor en aquest llibre. Una obra singular i inèdita que farà reflexionar l'estudiant de direcció, el professional i el melòman que vulgui comprendre el llenguatge dels gestos.
