

FF, Vol. 2

Its a new era for the FF - in every way imaginable! Black Bolt has returned from seeming death; Dr. Doom, the Wizard, the Mad Thinker and Diablo have joined the Future Foundation; and four alternate-reality Reed Richards are scheming to ignite war among the fabled Four Cities. But all that could be moot because the Kree Supreme Intelligence has designs on Earths destruction - the resolution of a power play 300,000 years in the making. COLLECTING: FF 6-11
