

Give Me Liberty: Freeing Ourselves in the Twenty-First Century

Here, in this landmark personal work, Gerry demonstrates how, despite the democratic rhetoric we hear and believe, we have become enslaved. All of us are trapped by a complex web of corporate and governmental behemoths he calls the New Slave Master That today controls our airways, educates our children, and manages every facet of our lives. Yet, far from being a pronouncement of gloom, Give Me Liberty! is an inspiring and visionary work. In the spirit of his bestselling How to Argue and Win Every Time, Spence expounds on his philosophy, thus empowering us to: Liberate the slave within, redefine success, unchain the spirit, escape the religions of work and beliefs that enslave us, free ourselves with what he calls our magical weapon. Like Thomas Paines Common Sense, Give Me Liberty! captures the underlying malaise of a country, transforming it into a national dialogue that promises a groundswell for a meaningful democracy in America in the coming years.
