

Brightest Day Vol. 2

Writers Geoff Johns (BLACKEST NIGHT, GREEN LANTERN, THE FLASH) and Peter J. Tomasi (GREEN LANTERN CORPS) continue the biggest event in comics as BRIGHTEST DAY burns back the BLACKEST NIGHT. They are joined by artists Ivan Reis, Patrick Gleason and Aridian Syaf on the follow-up to the bestselling comics event of 2009. Once dead, twelve heroes and villains were resurrected by a white light expelled deep within the center of the earth. Now, Aquaman, Martian Manhunter, Firestorm, Hawkman, Hawkgirl, Deadman, Jade, Osiris, Hawk, Captain Boomerang and Zoom must discover the mysterious reason behind their return and uncover the secret that binds them all. In this second volume, find out whether Deadman is truly destined to wield the White Lantern, and who the new Aqualad is. Plus, Firestorms dueling alter egos take a bizarre journey, while Martian Manhunter returns to Mars to learn about the strange creature that's stalking him. Collects issues #8-16.
