

# Peaceful Spaces: Transform Your Home Into a Haven of Calm and Tranquility

In Peaceful Spaces, Alice Whately offers chic and accessible ways to build an oasis of calm and comfort in your own home. The first step is to clear space and banish clutter. The next stage is to build on the blank canvas you have created using natural materials, soft colours, and carefully chosen furnishings and accessories. Whether your home is a minimal urban loft or a relaxed, pared-down country retreat, this serene style creates spaces that are soothing rather than stark. -Covers spaces for living, eating, sleeping, bathing, and working, as well as spaces for enjoying the outdoors. -Tranquility has never looked so good.
