

The National Parks in Painting and Photography

(Revised 8/2014 - 275+ Larger HD Paintings and Photographs formatted for Kindle HDX, HD, Kindle for iOS and Android tablets with annotations and information on each National Park.) The National Parks in Painting and Photography Art Book contains 275+ reproductions of the nine most visited National Parks in the United States illustrated by history's greatest artists. The work they produced increased the popularity and respect for the park system. National Parks include; Carlsbad Caverns, Glacier National Park, Grand Canyon, Grand Teton, Kings Canyon, Rocky Mountain National Park, Yellowstone, Yosemite and Zion National Park. An amazing collection of over 275+ paintings and photographs by the following artists; Ansel Adams, Thomas Moran, John K. Hillers, Albert Bierstadt, Thomas Hill, William Henry Jackson, John Henry Twachtman and Carleton Watkins. Book includes; Table of Contents, Information on each National Park, Top 50 Museums of the World and is compatible with all Kindle devices, Kindle for iOS and Android tablets (use rotate and/or zoom feature on landscape/horizontal images for optimal viewing). The National Park Service was created in 1916 by Congress through the National Park Service Organic Act. It was signed into law on August 25th by President Woodrow Wilson. It is an agency of the U.S. Dept. of the Interior. The direct management of the NPS is directed by the National Park Service Director, who is confirmed by the Senate. The NPS employs over 22,000 people that oversee 397 units, of which 58 are national parks. The National Park System includes; Military Parks, National Preserves, National Monuments, Historic and Heritage Sites, Wild Rivers, Recreation Areas, National Memorials, National Seashores and Lakeshores, Scenic Trails, Islands and Wolf Trap National Park (the

first national park for the performing arts). Yellowstone National Park was the first national park in the United States. The park system encompasses approximately 84.4 million acres, of which more than 4.3 million acres are in private ownership. The largest park is Wrangell-St. Elias National Park and Preserve in Alaska, covering 16 percent of the entire park system.
