

The Parasite

The Parasite (1894) is a novella by Sir Arthur Conan Doyle. The main character, Austin Gilroy, is a professor of Physiology who does not believe in Miss Penclosas psychical powers and occult skills. The plot takes a grave turn as she falls in love with the professor and controls his feelings for her. About to lose both the love of his life and his career, Gilroy finds himself face to face with dangerous occult powers.
