

Pluralism, Justice, and Equality

The essays in this book by a group of leading political theorists assess and develop the central ideas of Michael Walzer's path-breaking *Spheres of Justice*. Is social justice a radically plural notion, with its principles determined by the different social goods that men and women allocate to one another? Is it possible to prevent the unequal distribution of money and power from distorting the allocation of other goods? Are there universal principles of justice which apply regardless of context? These and other related questions are pursued in depth by the contributors.

Pluralism, Justice, and Equality: David Miller, Michael Walzer Melissa S. Williams , *Pluralism, Justice, and Equality*. David Miller , Michael Walzer , *The Journal of Politics* 58, no. 3 (Aug., 1996): 897-900. DOI: 10.2307/
