

Punisher War Journal (2006-2009) #19

JIGSAW PART 2 All the players are assembled. The stage is set. The lights are lowered...and a conspiracy 18 issues in the making begins. This is it: the ultimate revenge saga as designed and engineered by Punishers arch-rival, Jigsaw! Hes killed off the loose ends from Frank Castles life before The Punisher; hes replacing him on the streets with a leaner, meaner psychotic; and now Jiggys taking out everyone and everything that Castle holds dear and framing him for it. And this is just the bloody beginning!
