

Zen Doodle Coloring Book: Nature Girls

This is not just another coloring book filled with computer generated geometric designs. The illustrations in Zen Doodle Coloring Book: Nature Girls are original works of art created by artist Judy Brown. All illustrations were hand drawn and then recreated in a vector format assuring that ALL LINES ARE CRISP AND CLEAR, never blurry. Looking through the book you will find a wide variety of faces featuring girls and women of all ages and ethnicity. Positive quotes and words are included in many of the designs adding a greater depth to the designs. As a bonus I have included 10 pages of Mandalas. Rediscover the joy of COLORING. Designs are printed on one side only, so bleed through is not a problem. All pages can be trimmed to fit a standard 8x10 frame. Perfect gift for your friends ages 8 and up.
