

Mack Bolan # 93 - Retaliation

Mack Bolan has a score to settle, a mission written in the blood of friend and fellow warrior Yakov Katzenelenbogen. But there's more at stake than just revenge. A consortium of powerful men is unleashing a global wave of terror and pushing nations to the brink of war. Katz made the ultimate sacrifice trying to stop them and Bolan can do no less than finish the battle. With backup from Stony Mans top operatives, and a dedicated Mossad agent by his side, Bolan is pulling out all the stops on a killing field that spans the Beqaa Valley, China and Indonesia. In this deadly arena, there's no time for hesitation, no place for mercy. The Executioner demands a final reckoning, the only kind that predators understand. A soldier's code of honor and a promise to a friend will permit nothing less.
