Stories You Wouldn't Tell Your Mother tells the fast-paced tales of a backpacker let loose on the world. Avoiding nightclub brawls and Mongolian swingers, befriending local thugs and drugs, while making decisions for which your own mother would disown you, this book has been compiled for anyone with an interest in travel or fermented mares milk vodka. The book leaves the reader with an appetite to know more about the author and indeed the destinations in his tales. The fluid style transports the reader to a bar stool where they could be hearing the stories from a good friend home from his travels, such is the honesty of John's writing.
