

THE ARTISTS MODEL: MELISSA

THE ARTIST MODEL is a series of of photographic models, with pictures of a model taken by highly skilled professional photographers. While the pictures depict the female form fully nude, these books are meant for use by art professors, students, artists, and other admirers of the female body. These books will serve as outstanding references for most any artist working in most any medium. All photographs are tasteful and depict the natural beauty of the female figure. For those who value artistic photography of the nude, this series will be a welcome addition to their collection. THE ARTISTS MODEL: MELISSA has many pictures of the model, all in different poses and positions.
