

## The Chronicles of Conan, Vol. 12: The Beast King of Abombi and Other Stories (v. 12)

Conan and Belit, Queen of the Black Coast, reunite with their pirate crew aboard the Tigress only to be drawn into the vermininfested swamps of Stygia. In the dark depths of this haunted land, they battle for their lives amidst stately pleasure gardens transformed into treacherous dens of deceit. There, a twisted beastking reigns supreme, his hordes of abominations descending mercilessly upon the Cimmerian and his lover. Together, the two shall face monstrous mancrabs and a sultry seawitch, but when an ancient secret is unleashed it means only one thing for a member of their heroic partydeath!\* Featuring ten more issues from the famed Roy Thomas/John Buscema run on Conan the Barbarian, stories showcasing Conans adventures with Belit the ShePirate, one of Robert E. Howards most powerful and beloved female characters.
