

The Creep #1

A pair of teen suicides raise terrible questions, but can a grim private eye commit himself to a case that is so closely connected to his own haunted past? * Cover by Mike Mignola! * From the artist of Green River Killer and the writer of B.P.R.D.! Great mystery involving a Rondo Hatton look alike, of B film Creeper fame. Its clever and original, and full of surprises. I just ate it up. More please. -Joe R. Lansdale **Dont be a goon!
