

# The Murders In The Rue Morgue & The Mystery Of Marie Roget: Short Story

Considered to be the first literary detective, C. Auguste Dupin turns his deductive skills to solving two seemingly un-solvable mysteries. In *The Murders in the Rue Morgue* Dupin must deduce the identity of the murderer of Madame L'Esplanaye and her daughter despite contradictory witnesses and puzzling evidence. In *The Mystery of Marie Roget* Dupin again uses his skills to discover the identity of the murderer of Marie Roget, whose body has been discovered in the Seine River. A pioneer of the short story genre, Poe's stories typically captured themes of the macabre and included elements of the mysterious. His better-known stories include *The Fall of the House of Usher*, *The Pit and the Pendulum*, *The Murders in the Rue Morgue*, *The Masque of the Red Death* and *The Tell-Tale Heart*. HarperCollins brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms.
