

The Rough Guide to Corsica Map (Rough Guide Country/Region Map)

Corsica half the size of Wales is one of the Mediterraneans most stunning islands with attractions and activities for all types of visitors, ranging from the soaring granite escarpments of Col de Bavella to the ultimate Grande Randonnee of the GR20. The Rough Guide map will make exploring the island by car that much simpler with information on all the routes from the (well sign-posted) main roads to unpaved tracks. The map pinpoints the location of many attractions and places of interest, including unspoilt beaches, churches, castles and outstanding natural features. As with all the maps in the Rough Guides series, this map is made of rip-proof, waterproof Polyart paper, durable enough to survive a dip in the sea.
