

THE SHEIKHS VIRGIN PRINCESS (Harlequin comics)

Princess Alexa wants nothing more than to protect her country and its people, but before she can do that she has to seek protection from her pursuers by marrying the sultan of Zangrar. Just when she thinks shes close to her goal, a bodyguard named Karim comes to escort her to Zangrar. Karim wants whats best for Zangrar, and hes heard rumors that Alexa is a rebel princess. He doesnt believe shes fit to be the sultans wife. While they try to make it safely to Zangrar, he discovers that Alexa isnt who the rumors say and is, in fact, an innocent. When he thought she was hiding secrets from him, he also hides something from her. Will this ruin Alexas plans to protect her country?
