

Will Eisners The Spirit #9: Digital Exclusive Edition

As yet another piece of the mystery surrounding The Spirit's lengthy disappearance is revealed, our heroes find themselves confronted with a violent attack at the hands of hired gun Pinky Fingers. The Spirit barely avoids the assassins' bullet but are his friends so lucky, as well? Central City proves to be no refuge from the long and deadly reach of the international crime-lord, Mikado Vaas! This critically-acclaimed revival of legendary comic creator Will Eisner's most iconic character is helmed by Eisner Award-winning writer Matt Wagner and the fresh visual team of artist Dan Schkade and colorist Brennan Wagner.
