

X-O Manowar Vol. 8: Enter Armorines (X-O Manowar (2012-))

ARMORINES...ATTACK! Since Aric of Dacia returned from the stars, terror and destruction have followed in his wake - and the nations of Earth have had enough. As the world rushes into a new arms race, X-O Manowar will find himself confronted by a calculating paramilitary force designed to duplicate - and outmatch - the destructive potential of his own armor. But who is this bleeding-edge commando unit - and what plans does their fiendishly familiar leader have in store for the universe's most powerful weapon? Can X-O Manowar survive his first encounter with the all-new ARMORINES? Find out here as Valiant superstars Robert Venditti (The Flash, Green Lantern), Diego Bernard (Red Lanterns), and Clay Mann (X-Men: Legacy) unleash a pivotal new chapter in the saga of X-O Manowar! Collecting X-O MANOWAR #30-32 and X-O MANOWAR #0.
