This is a fabulous book! A must read for every daughters mother. BETH MOORE If you are the mother of a daughter eighteen years old or younger, especially one in the tween or teen years, you know that you are in a war for her mind, body, and soul. Best-selling author Vicki Courtneys Your Girl addresses the times in which our daughters live, the high calling of motherhood, and the necessity to enter the battle to counteract negative influences of the culture. Father God, help us to raise this generation of girls to be Yours, and Yours alone, Vicki writes. She encourages moms to rely on Gods Word while passing down key godly attributes including worth, modest, and purity. Your Girl also helps mothers teach their daughters to stand for truth, protect their hearts, and navigate the uncertain currents of girl politics.
